Mussari to buy post office

A local clothing manufacturer will soon become the owner of the former United States Post office building located at 75 N. Main St. On August 23, the Postal Service accepted Joseph Mussari's bid of \$48,000 for the property. Although details were not released, Mussari's bid is reportedly \$2,000 below what the Postal Service had hoped to receive for the building. The sale is scheduled to become final in one or two weeks. The sale of the building has been at the center of a mild controversy in recent months concerning the issue of alterations to its exterior. S.

Robert Powell, Carbondale Historical Society president, reportedly received promises from the Postal Service in 1983 that the building's new owner would be prevented from making alterations to the exterior. Since that time, a clause has apparently been added to the deed for the building, stating that no such alterations are to take place. Mussari owns K Sportswear, 16 6th Ave., and his plans for his new building are unclear. A NEWS reporter who called his office was told he was "unavailable," and the calls were not returned.

"reportedly" "mild controversy" "reportedly" "apparently"
Why these words. Is Heath a moral coward, trying not to support the saving of the building's exterior. Is he as much as a moral coward as these words seem to say he is. Why can't he deal in fact, instead of homogenized pap. Or does he not want to give you any credit, is that why he says what he does in this article.

September 7, 1984

Robert -

Three dates for your September calendar -

September 7	Birthday of Queen Elizabeth I (1533 - 1603)
September 16	Mayflower Day, Anniversary of the departure of the Mayflower from Plymouth, England, Sept. 16, 1620.
September 22	Autumn begins. Autumnal equinox - 3:33 PM

Your post office victory is marvellous.

Your notes on GR 78 / CCBC 153 are quite sufficient. I will type them as they are. I am enclosing a reduced copy of your originals.

Harold T. Loomis came through with \$10.00 in this morning's mail. I am enclosing the originals. I have kept a xerox of the letter so you can keep the original. Why must people use blue ink!
